Waheguru Ji Ka Khalsa, Waheguru Ji Ki Fateh !

Sadh Sangat Ji

We would like to extend our heartiest thanks to all who have been supporting us since we took over. Many ideas and suggestions have been pouring in and this can only be good for the sanggat and the community. The team feels overwhelmed with the unity shown.

We have resumed our programmes steadily with the enhanced precautionary measures still in place at the gurdwara. Read on to be familiar with these measures. You are receiving the November monthly programme with this note.

We humbly take this opportunity to thank Sardar Sarbjit Singh and his team members for their relentless sewa for the past 4 years and in that time, KDS had undergone various renovations and there are further renovations to be carried out.

COVID19

The Covid 19 pandemic is the greatest challenge that we are still facing and it is an enormous health, economic, environmental and social challenge. Whilst the number of cases had dropped, we have to take our safety and hygiene seriously. The authorities have eased the restrictions for worshippers and allowed up **100 people** to be present at the Gurdwara. However, KDS is unable to accommodate all 100 due to its size and design. We have placed about 40 small carpets to demarcate the space between each devotee. And another 10 seats are reserved for the elderly.

Please ensure that you scan your QR code or NRIC for entry into the Gurdwara and wear a mask and sanitize your hands. Take your temperature readings and follow the Entry and Exit signs and refrain from talking at the Darbar hall. If you notice that the sanggat is reaching the max capacity of 50 people, please do allow others to pay respect to Guru Maharaj. The Ragi Jatha will remind the sanggat periodically.

The sanggat is advised to practice social distancing by being at least 1 to 2 metres away from each other when doing the safe entry check, taking their temperature, waiting at the lift lobby or when you queue for metta tek.

We would like to appeal to the sanggat to abide by these regulations

LANGGAR

Please note that there is **strictly no consumption of langgar at the Gurdwara premises.** All food is to be taken away.

Please do leave after your prayers and/or collecting your langgar. There should be no reception or mingling between worshippers, before , during or after each worship service.

LANGGAR OUTREACH PROGRAM

We are still participating in the weekly Langgar Outreach Programme (LOP) every Thursday. A total of 150 packets of langgar is packed in “bento boxes” and sent to “Willing Hearts” . We humbly seek your help in the sewa and any kind donations. The following 3 methods have been made available to facilitate your contributions.

CAR PARK

We advise that the car park at the Gurdwara is for members and for others who visit the gurdwara for worship and attend certain events and functions. The car park is not to be used for your personal parking pleasure where you leave your vehicle in the Gurdwara to either run your errands or go off to work. The parking of your vehicle is a privilege and not an entitlement.

DONATIONS

We request the sanggat to generously donate to the Gurdwara and for some of the following programs:

- | | |
|-----------------------------|-------|
| a) Breakfast program | \$150 |
| b) Lunch (200 packets) | \$500 |
| c) Dinner (200 packets) | \$500 |
| d) Sunday lunch (500 boxes) | \$900 |

The lunch and dinner will comprise of rice, roti, dhal and one sweet dish.

We are trying to minimise the cost so that each of us can be part of a program. As stated in our website previously, you do not need to give the Raaghis, Giani and the sewadar any additional sum as was the practice previously.

BE PART OF OUR COMMITTEE

As there can be limited people on the management committee, we invite you to be part of each sub-committee and only with all us coming together, we can achieve success and smooth running of the Gurdwara.

No idea/suggestion is too small but it will take time for the idea/suggestion to fruition. Patience is key to everything.

KITCHEN MANAGEMENT SYSTEM

We plan to implement a computerised kitchen management system for greater efficiency in the management of stocks and costing. One of the reason of establishing the system is

to know the exact cost of each program. The implementation will take time and we need your support and patience.

KDS WEBSITE

Please visit the KDS website where you can find information on membership, Annual reports, Monthly programmes, etc..

Thank you for your support and wishing you and your family chardi kala Ji.

In Guruji's sewa.
